Hi everyone,

Happy New Year ☺ I hope you all had a great Christmas and time together as a family.

- **What we are doing**

This half term we are looking at the theme of Chat which will mean looking at the Lord's Prayer and talking about how we can chat to God. We will not be having memory verses this term instead we will be having challenges to help us spend time talking to God. It would be great if you could help and encourage them to complete these challenges and maybe join in with them so that they realise how vital it is in our walks with God to spend time talking to God.

Next half term our theme will be Spy where we will be looking at the Easter Story. The challenge this month will be for the children to join in with worship during our time in church through various different ways (They will have a tick sheet to tick off if they achieve any of them).
